If you want to see more and take dinner in Yokohama, you can take train by yourself to come back to Tokyo. (The train costs ca. 800 yen from Yokohama to Hongo-3-Chome or Ueno station near your hotel)

“Yokohama Plant Protection Station” is a research station of plant quarantine belonging to Plant Protection Station, Ministry of Agriculture, Forestry and Fishery, Japanese Government. <http://www.pps.go.jp/english/index.html>

There are laboratories for identification of imported plant pathogens and pests with both morphology and DNA methods, fumigation chambers for sanitary tests, a closed glasshouse for inoculating experiments, etc.

Yokohama Plant Protection Station
